Product Description

The Netis P106GC is a 4-port PoE Gigabit switch designed for home, office, and small business networks. It features 4×10/100/1000M PoE ports, 1 uplink RJ45 port, and 1 uplink SFP slot for high-speed, reliable connectivity. With a 12G switching capacity and 2K MAC address table, this PoE switch delivers stable data transmission and supports multiple devices efficiently. Its plug-and-play design and durable metal housing make it ideal for IP cameras, access points, and network expansion.
