Product Description

The Netis ST3124P is a high-performance 24 port 10/100Mbps RJ45 switch designed for reliable networking. Featuring IEEE 802.3x flow control, 4.8Gbps switching capacity, and an 8K MAC address table, it ensures stable, high-speed data transmission. Built with Green Ethernet technology, the switch provides energy-efficient operation while maintaining durable and reliable network performance, perfect for offices, small businesses, and home networks.
