Product Description

The Netis ST3116GS 16-Port Gigabit RJ45 Switch delivers reliable high-speed networking with 32Gbps switching capacity and an 8K MAC address table. Supporting 10/100/1000Mbps Half-Duplex connections, it ensures seamless data transfer for home and office networks. Built for durability and energy efficiency, this gigabit switch is perfect for small business networking, LAN setups, and high-performance internet connections. Easy to install with plug-and-play functionality, the Netis ST3116GS provides stable, fast, and secure network connectivity.
