Product Description

Upgrade your security with the CMSBFCV5RC 5MP Smart Hybrid Light Network Camera featuring dual light technology with IR and warm light for clear day and night surveillance. Equipped with 1/2.7" Progressive Scan CMOS, Fullhan SOC, and DWDR, this camera delivers sharp 5MP video at 30fps. With smart analytics, including intrusion detection for humans and vehicles, and built-in mic, it ensures reliable monitoring. Its compact metal housing (□ 96 x 91mm) with internal PoE makes installation easy and durable. Perfect for home, office, and commercial security, this hybrid light camera provides advanced night vision, smart alerts, and high-definition surveillance.
