Attributes

Product Description

The Longse PT3DK4XGC200 2MP 4X Optical Zoom Outdoor IP Dome Camera delivers high-quality surveillance with a 1/2.8" Progressive Scan CMOS, 120dB WDR, and 3D NR for clear images day and night. Featuring motion detection, intrusion detection, H.265/H.264 compression, two-way audio, and POE support, this outdoor IP dome camera ensures reliable security with low power consumption. Its metal housing (129×129×124 mm) offers durable protection, ideal for indoor and covered outdoor installation.
