Attributes

Product Description

The Longse PT5A018XIGC200 is a high-performance 2MP 18X Outdoor IR PTZ IP Camera featuring 1080P HD video, WDR, and 3D noise reduction for clear surveillance. With smart analytics including 3D human tracking, motion detection, and intrusion alerts, this weatherproof IP66 camera supports two-way audio, internal SD storage, and low power consumption. Ideal for outdoor security, it delivers reliable performance with built-in mic and speaker and robust metal housing.
