Product Description

The Longse PT5A018XIGL500 5MP 18X Outdoor IR IP PTZ Camera delivers high-resolution surveillance with powerful 18X optical zoom, making it ideal for wide-area outdoor security monitoring. Built with a 1/2.8" Progressive Scan CMOS sensor, 120dB WDR, and 3D noise reduction, it ensures clear and detailed video in both day and night conditions. Supporting H.265/H.264 compression for efficient storage, this smart PTZ camera features advanced analytics such as 3D human tracking, motion detection, and intrusion detection for accurate threat alerts. Its durable metal housing and low power consumption make it a reliable choice for professional outdoor CCTV security systems.
