Product Description

The Lexar® Professional SILVER PRO SDXC™ UHS-II Card offers 256GB of high-capacity storage, providing read speeds of up to 280 MB/s and write speeds of up to 160 MB/s. With a Speed Class V60 rating, this SD card ensures high-speed performance, making it ideal for professional photography and videography. It supports FHD and 4K video capture, allowing for faster and more reliable shooting, even for high-demand applications. Whether you're shooting fast-action sequences or capturing high-resolution footage, the Lexar® SILVER PRO card delivers the speed and reliability you need for professional-grade content creation.
