Product Description

Unleash powerful gaming and multitasking performance with the Acer Nitro V15 ANV15-52-57DY Gaming Laptop Core 5 210H RTX 5050. Built for gamers, creators, and performance-focused users, this gaming laptop combines the latest Intel processing technology with dedicated NVIDIA RTX graphics for smooth gameplay and immersive visuals.

Powered by the Intel Core 5 210H processor, 16GB RAM, and a fast 512GB SSD, the Nitro V15 delivers responsive performance, quick load times, and seamless multitasking for gaming, streaming, editing, and productivity tasks. The dedicated NVIDIA GeForce RTX 3050 6GB graphics card provides enhanced gaming visuals, AI-powered performance, and smooth frame rates for modern games and creative applications.

Its 15.6-inch Full HD IPS display with a 165Hz refresh rate delivers sharp visuals, vibrant colors, and ultra-smooth gameplay for competitive gaming and immersive entertainment. Advanced cooling technology helps maintain stable performance during intense gaming sessions, while the modern Nitro design adds a bold gaming aesthetic.

Backed by a 1-year warranty, the Acer Nitro V15 is an excellent choice for users looking for high-performance gaming and productivity in one powerful machine.
