Product Description

Product Description:

The Lexar JumpDrive V400 128GB USB Flash Drive (LJDV4000128G-BNBNG) is designed to provide reliable high-speed storage for everyday file transfers, backups, and data sharing. Featuring USB 3.0 / USB 3.2 Gen 1 technology, this compact flash drive delivers fast read speeds of up to 100MB/s, allowing you to quickly transfer photos, videos, music, documents, and other important files. Its lightweight and portable design includes a convenient key ring loop, making it easy to carry with your keys, backpack, or laptop bag.

Built for both performance and security, the JumpDrive V400 supports Lexar DataShield with 256-bit AES encryption to help protect sensitive files from unauthorized access. The drive is backward compatible with USB 2.0 devices and works seamlessly with both Windows PC and Mac systems, making it an ideal storage solution for work, school, entertainment, and daily use.

Specifications:

- Model Number: LJDV4000128G-BNBNG
- Product Name: Lexar JumpDrive V400 USB Flash Drive
- Storage Capacity: 128GB
- Interface: USB 3.0 / USB 3.2 Gen 1 Type-A
