Product Description

Dell 14 Plus

Experience next-generation AI-powered computing with the Dell 14 Plus DB04255-A369BLU Copilot+ PC 2-in-1 Ryzen AI 7 350 Laptop. Designed for professionals, creators, students, and multitaskers, this premium convertible laptop combines powerful AMD Ryzen AI performance with the flexibility of a 360° 2-in-1 design.

Powered by the AMD Ryzen AI 7 350 processor, 16GB RAM, and a spacious 1TB SSD, this Copilot+ PC delivers exceptional responsiveness, intelligent AI-enhanced features, and seamless multitasking. The 14-inch WUXGA touchscreen display with a resolution of 1920 × 1200 provides sharp visuals, vibrant colors, and intuitive touch controls for work, creativity, and entertainment.

Its versatile 2-in-1 design allows you to switch effortlessly between laptop, tablet, tent, and presentation modes. Additional premium features such as a backlit keyboard, fingerprint reader, and elegant Midnight Blue finish enhance both productivity and security. Running Windows 11, this Dell Plus laptop is built to help you work smarter, create faster, and stay productive wherever you go.
