Product Description

Lenovo Slim 3 15AMN8

The Lenovo Slim 3 15AMN8 Ryzen 5 7400U Laptop is a stylish and dependable laptop built for students, professionals, and everyday users. Powered by the AMD Ryzen 5 7400U processor, 8GB RAM, and a fast 256GB SSD, it delivers smooth performance for daily computing, web browsing, office work, online learning, and entertainment.

Featuring a 15.6-inch Full HD display with a resolution of 1920 × 1080, the Lenovo Slim 3 provides crisp visuals and an enjoyable viewing experience for work and multimedia. Its slim design and Abyss Blue finish give it a modern and professional look while remaining easy to carry throughout the day.

Running on Windows 11, this laptop offers an intuitive user experience, enhanced productivity features, and reliable performance for everyday tasks.
