Product Description

Product Description

The **Redmi A5 (4GB/128GB)** is a feature-packed budget smartphone that combines a smooth display, reliable performance, and long-lasting battery life. It features a 6.88-inch HD+ IPS LCD display with a 120Hz refresh rate, delivering a fluid experience while browsing, gaming, and watching videos.

Powered by the UNISOC T7250 processor and paired with 4GB RAM and 128GB internal storage, the Redmi A5 is designed to handle everyday tasks efficiently. The storage can be further expanded through a microSD card, providing ample space for apps, photos, and media files.

For photography, the device comes equipped with a 32MP AI dual rear camera that captures detailed photos, while the 8MP front camera is ideal for selfies and video calls. Security features include a side-mounted fingerprint sensor and AI face unlock for quick and convenient access.

The smartphone is backed by a 5200mAh battery that easily lasts throughout the day and supports 15W fast charging via USB Type-C. With its large display, generous storage, and dependable battery life, the Redmi A5 is an excellent choice for students, professionals, and everyday smartphone users.
