Product Description

DJI Neo 2 Motion Fly More Combo

Immersive FPV with Motion Controller | Goggles N3 Included | 4K Video | 151 g Palm-Launch | Up to 19-min Flight

DJI Neo 2 Motion Fly More Combo turns everyday moments into thrilling, first-person flights. Pairing the palm-size Neo 2 with RC Motion 3 and Goggles N3, you steer naturally with your hand while enjoying an ultra-stable 4K camera and intelligent tracking/QuickShot modes. Multi-direction obstacle sensing, full-coverage prop guards, and Return-to-Palm keep flights safe indoors or outside. At just 151 g, it takes off from your hand, follows the action smoothly, and lands back in your palm. Three batteries and a two-way hub extend playtime, while the compact design travels anywhere—ready for cinematic selfies, dynamic chase shots, and immersive FPV fun.

Key Features
