Product Description

The **Logitech MK215 Wireless Keyboard and Mouse Combo** is the ultimate space-saving solution for seamless, cable-free productivity. Featuring a sleek, compact keyboard that is about 36% smaller than standard keyboards, it retains all essential keys, making it a perfect fit for tight workspaces and minimalist desks. This durable, spill-resistant combo utilizes reliable **2.4 GHz wireless connectivity** to deliver a rock-solid connection up to 10 meters (33 feet) away with virtually no delays or dropouts. Designed for maximum efficiency and longevity, the MK215 features an extended battery life—up to 24 months for the keyboard and 5 months for the mouse—along with plug-and-play simplicity via a tiny USB receiver. Whether you are looking for an affordable home office upgrade, a portable student setup, or a dependable daily driver, this Logitech wireless keyboard and mouse bundle offers ergonomic comfort and trusted performance at an unbeatable value.
