Product Description

The Dell 15 DC 15 255 Ryzen 7 7730U Touchscreen Laptop is a powerful everyday laptop designed for professionals, students, and home users who need smooth performance and the convenience of a touchscreen display. Powered by the AMD Ryzen 7 7730U processor, 16GB RAM, and a fast 512GB SSD, it delivers responsive multitasking, quick boot times, and reliable performance for work, study, entertainment, and everyday computing.

Its 15.6-inch Full HD touchscreen display with a 1920 × 1080 resolution offers crisp visuals, vibrant colors, and intuitive touch controls, making browsing, presentations, streaming, and daily tasks more engaging. Finished in a sleek Black design and running Windows 11, the Dell 15 255 combines modern styling, dependable performance, and portability for users on the go.
