Product Description

Acer Nitro V16 ANV16-I31-70WA Gaming Laptop

Experience powerful gaming and smooth multitasking with the Acer Nitro V16 ANV16-I31-70WA. Powered by the Intel Core 7 240H processor and NVIDIA GeForce RTX 5060 8GB graphics, this gaming laptop delivers impressive performance for modern gaming, content creation, and demanding workloads.

Featuring 16GB RAM and a 512GB SSD, it offers responsive performance and fast storage for your games, applications, and files. The 16-inch WUXGA display with a 165Hz refresh rate provides smooth visuals and an immersive gaming experience.

With its stylish black design and backlit keyboard, the Acer Nitro V16 combines gaming performance with a sleek and modern appearance. Running Windows 11, it provides a user-friendly environment for gaming, productivity, and entertainment.

The Acer Nitro V16 is an excellent choice for gamers and performance-focused users looking for powerful graphics and smooth gameplay.
