Product Description

Stay ahead with the Ezviz H8C 4G security camera, featuring 2K resolution and panoramic view for high-definition surveillance. Equipped with AI-powered human and vehicle shape detection, it offers reliable security day and night with Color Night Vision. The camera supports 4G connectivity, auto-tracking, and integrates with Google Assistant and Alexa for seamless smart home control. Active defense features, including siren and strobe light, ensure that intruders are deterred. Its weatherproof design, two-way talk, and H.265 compression technology ensure excellent performance and efficiency, while 512GB storage provides ample space for footage.
